

NFBPA CAC is calling for mentors and mentees for the second cohort of its MentorUp Program!

Mentoring is a give and take partnership between two professionals that allows both parties to reap the benefits of personal and professional growth.

NFBPA CAC is excited to connect motivated individuals for the purpose of skill building, upward development, empowerment and support. Finding the right mentor can make a difference in your career path!

Applications are now open for the MentorUp Program. Use the QR Code to submit your application no later than July 10, 2024.
